Dear Sir,

In 1914 there were negotiations pending with regard to my son, Frederick Arthur Dickson Mow (Engineer) demobilizing in England & it was necessary for me to procure a certificate with regard to the health of my husband, Mr. E. Mow. I should be greatly obliged if you would let me have a copy of that certificate. Dr. Gough who gave it has gone to England. & though I have written to him for the necessary evidence it may be some time before it reaches me. In the meantime the one you hold will be a help in the difficult situation

Trust you will forward it with  
as little delay as possible & thank  
you in anticipation

6TH MIL. DISTRICT

No. 21820 Sapper. Maw. Ludwig. Arthur Lister

I understand that my son above named. may apply for demobilisation in England. On enlistment he made an allotment of 2/- a day to me as next of kin, but this has been paid to an A.I. operated by him & not by me, so that I do not claim to be a "dependant". My husband & I propose to join our son in England as soon as an arrangement can be made, & it will therefore be to our advantage if he can remain in England, but we are anxious that he should continue to get the advantage of the scheme of education which is now being enjoyed by him, & we hope that he will not in other respects suffer if his demobilisation in England is authorized as desired herein.

Number in family. Names and ages to be given.	Two in family. F. A. L. Maw. age. 21. years. single O. A. S. William. . 8. . . . . at home.
Family circumstances to show weekly income. Amount, Rent paid, Amount in Banks. Describe property and obtain full particulars.	Income from Orchard.....£2/0/0 per week. Allotment from son..... 14/0 per week. Own house and eight acres of Orchard, at Kalamunda valued £1700/0/0 Agricultural Bank, holds a mortgage of £240/0/0 over the property. No bank a/c.
If any Medical reasons, a Doctors Certificate must be produced.	Medical Certificate <del>xx xxxxx</del> . attached.
General remarks of Officer making the enquiry, to cover any subject worthy of mention.	Mrs Maw, stated that her son was studying as a Civil Engineer, in this State prior to enlisting, and since the war has stopped he has been continuing his study in England, and it was her wish that the son be demobilised in England so that he may keep on with his study. Applicant also stated that it is her intention to go to England, as soon as she can arrange to sell the property at Kalamunda, Owing to the indifferent health of her husband she has to seek Medical advice in other parts (New Zealand and England) it is also on account of this illness that she wishes her son to complete his study and obtain his Degree, so that he will be enabled to take a position, and assist to maintain the family, as her husband is unable to follow any occupation, more than to do a little light work in the orchard. Their income has dropped from £300/- a year to £100/- a year, and if anything should happen to her husband she will find it very difficult to make a living.

Sapper Maw enlisted in June 1916 and embarked in October 1916. prior to this he was studying as a Civil Engineer.
